RESPONSIBILITIES

1. Love

- Counting them as more important than yourself
- Listening to them without making assumptions or needing to have an answer
- Being present with them in their pain and uncertainty
- Affirming their identity in Jesus Christ and the growth that is seen in them
- Challenging them to do things they may not want to do (e.g. work)
- Speaking into areas of sin and unbelief for their greater good
- Praying with and for them

2. Modeling

Servant Leaders model a life of dependence on Christ moment by moment. Residents look to Servant Leaders to see what following Jesus can look like in daily life. The role of a Servant Leader is largely about leading by example. Modeling may look like...

- Walking with Jesus every day, repenting of sin and trusting in Him
- Being patient in the midst of frustrating situations

- Seeking the Lord in all circumstances, including pain
- Sacrificing preferences when it is for the good of another person
- Seeking reconciliation and fighting for unity in the midst of conflict
- Working with diligence and integrity

3. Oversight

Servant Leaders oversee and supervise Residents in daily dorm life, on work crew, and during other program activities. Servant Leaders are to monitor and be mindful of the behaviors and attitudes of Residents, paying special attention to their safety.

Dorm Life – A Servant Leader is responsible for working with the Servant Leader team to provide oversight and coverage of daily Resident life in the dorm. This is a place where relationships with Residents are forged and deepened. It is important that the attitude and ethos of the dorm is one of love, safety, and gratitude.

Work Crew – A Servant Leader is responsible for leading and overseeing Residents on Work Crew. Work is a part of what it means to be human and the Lord uses it to grow and restore us. Therefore, Residents and Servant Leaders spend a significant portion of the week on Work Crew doing manual labor. Servant Leaders work alongside Residents, modeling what a God-honoring work ethic looks like.

Program Activities – A Servant Leader is responsible for being a present support, guide and friend to Residents during other Program Activities (e.g. Resident free time, large group activities, meals, times of worship, etc.)

4. Accountability

Servant Leaders are responsible for holding the Residents accountable to the values and guidelines of the Program. The Program guidelines ensure that the His Mansion community remains safe for all of its members. They provide loving structure for Residents who have come here seeking change.
